Report From (Author):	Maria Kildunne supported by Andy Callaghan, Engagement Manager (Stockport and Tameside), NHS Greater Manchester		
Date:	24 April 2024	Agenda Item No:	10
Previously Considered by:	n/a		

Purpose of the report:

- To document progress and challenges on the Community Voice Partnership Engagement action plan.
- To provide Board members with an update on public engagement taking place across the ONE Stockport Health and Care Partnership.

Key points (Executive Summary):

This second update from the One Stockport Health and Care Community Voice Partnership is a result of agreed, approved and ongoing actions arising from the Engagement and Communications Framework for Stockport. The report is presented in two sections.

1. Progress and Group Development

An overview of how the locality partners plan to incorporate engagement into planning and decision making along with how that information will be captured and acted upon.

2. Engagement activity (covering period October 2023 to March 2024)

An overview of engagement activity across the borough provided by member organisations of the One Stockport Health and Care Partnership as well as other partners and stakeholders.

Recommendation:

The Board is asked to:

- Note the progress on actions outlined in the Engagement and Communications Framework.
