## **8. PLANNING APPEALS, ENFORCEMENT APPEALS AND NOTICES**

A representative of the Assistant Director for Legal & Democratic Governance submitted a report (copies of which had been circulated) listing any outstanding or recently determined planning appeals and enforcement within the area represented by the Central Stockport Area Committee.

RESOLVED – That the report be noted.

### **9. APPOINTMENTS TO OUTSIDE BODIES**

The Area Committee agreed to defer the appointment of councillors to Woodbank Community Association outside body whilst clarity continued to be sought in relation to outside body.

RESOLVED - The Councillors Matt Wynne, Leah Taylor and Asa Caton be appointed to the Cheadle Heath Community Association.

### **10. ASSET OF COMMUNITY VALUE NOMINATION - EDGELEY PARK STADIUM**

James Kington (Assistant Director, Stockport Council) attended the meeting to speak to the report and respond to any questions.

RESOLVED – That approval be given to the addition of Edgeley Park Stadium to the List of Assets of Community Value in accordance with the provisions of the Localism Act 2011 and The Assets of Community Value (England) Regulations 2012, for a further period of five years.

### **11. EDGELEY PARKING PLAN**

This item has been placed on the agenda at the request of members following a motion which sought further discussion on the adoption of and a forward plan on progress of the Edgeley Parking Plan and costs associated.

Sue Stevenson (Head of Highways and Transportation, Stockport Council) attended the meeting to support the discussion and respond to any questions.

The following comments were made/issues raised.

- The Area Committee had received a report on the outcome of the survey at their meeting held on 18 April 2024. Members were advised that resources were limited but the team, in liaison with members, could investigate what affordable measures could be put in place to assist.
- Members welcomed a meeting. It was suggested that a meeting take place to include ward members from the Edgeley and Davenport & Cale Green wards.
- It was noted that the planning application which sought to double the capacity of the ground was now live on the website, and time was of the essence to find solutions to the problems faced by residents.

## **12. RESIDENT PARKING SCHEME - ORCHARD STREET, STOCKPORT**

The report detailed a desk-top study of the parking availability on Orchard Street, Stockport, following a petition from the residents of Orchard Street & Waterloo Road for a Resident Parking Scheme.

Sue Stevenson (Head of Highways and Transportation, Stockport Council) attended the meeting to support the discussion and respond to any questions.

The following comments were made/issues raised:

- It was questioned why Orchard Street had been included within the Controlled Parking Zone (CPZ) and asked that the CPZ be reviewed to determine whether it was still fit for purpose. Members were advised that this was a substantial piece of work that would require significant resource. It was agreed that the CPS needed to be reviewed, and members noted that the team would investigate the best way to achieve this given constrained resources.
- In response to a query as to the council's parking standard within the town centre e.g., one car parking space for a three-bedroom property, members were advised that resident's living in the town centre should not have need for a car owing to the sustainable location but recognised that this was not always the case. It was noted that the council had worked hard to improve transport modes and promote sustainable living in the town centre.
- When the time came for a review of the CPZ, the team would meet with local ward councillors to gain a full understanding of all the issues.

RESOLVED - That the contents of the desk-top study and the view of Network Management be noted.

## **13. PROPOSED TRAFFIC REGULATION ORDER 'NO WAITING AT ANY TIME' ON WOODLANDS DRIVE AND OFFERTON LANE, OFFERTON**
