#### (i) Chair's announcements

An announcement was given on behalf of the Chief Planning Officer (Stockport Council):

‘Members of Cabinet have recently taken the decision to commence a period of consultation on the draft Local Plan on the 2nd of September running to the 28th of October. It is important that residents and other stakeholders engage in this process and tell us what they think about the proposed plan. During the period of consultation, the council will be holding a number of events and drop-in sessions where residents can learn more about the plan and its policies. A big part of this is a consultation event that will be held prior to the next meeting of the Area Committee – that is, from 4pm on the 10th of September, here at Trinity Church. The event will be an opportunity to learn more about the plan and to speak directly to planning officers and other specialist officers who will be on hand to help residents to understand more and how to make comments on the draft

plan. This consultation will be widely publicised, please look out for further information in the usual places.'

A further announcement was made in relation to the Climate Action Now (CAN) Seed Fund, which was open for applications until February 2025 – or until the money was spent. The CAN Catalyst Fund opened for applications on 1 December 2024 until the end of February 2025.
