The written consent of Councillor \_\_\_\_\_ and the Chief Executive/Monitoring Officer/Borough Treasurer for the decision to be treated as ‘urgent business’ was obtained on \_\_\_\_\_ /will be obtained before the decision is implemented.

AGENDA ITEM

**Castle Shaw Road, Offerton**

**Report of the Director of Place Management**

**1. INTRODUCTION AND PURPOSE OF REPORT**

To approve the costs for dropped-crossings on Castle Shaw Road in Offerton.

**2. BACKGROUND**

The user of a mobility scooter contacted the Council about the apparent lack of dropped-crossings on Castle Shaw Road which provides a route to local amenities off Mallowdale Road. Note: Dropped-crossings (or lowered-kerbs) provide a facility to assist wheelchairs, pushchairs and other vulnerable road users for crossing the carriageway.

There is scope to construct a crossing at the 'top' of Castle Shaw Road on either side of the junction at Blackstone Road and further down on either side of the junction with Ashway Clough South.

The associated cost for the civil works would be £3,550.00 funded from the Offerton Delegated Ward Budget.

**3. EQUALITIES/COMMUNITY IMPACT ASSESSMENT**

Equal Opportunities

- To provide a suitable and safer environment for pedestrians and other road users. The scheme contributes to the Council's vision statement "Promote equal life outcomes for all by tackling known inequalities across the borough of Stockport".

Sustainable Environment

- To develop and sustain a healthy, safe and attractive local environment which contributes to Stockport. Stockport Council understands the responsibility it has to lead by example and help the broader community make a positive contribution to the local environment.

**4. CONCLUSIONS AND RECOMMENDATIONS**

The Director for Place Management requests that the Stepping Hill Area Committee makes a decision on approving the said costs for the installation of dropped crossings.
