2. About Your Application

9. Please give us a brief description of your proposed/planned project or activity

You may wish to include details of what activities will take place, where will it happen, how often and who will take part. If you are applying for equipment you can tell us what will it be used for and why is it needed.

We are applying towards funding the purchase and installation of a 'toddler express' by Wickstead.

Currently the park has 2 baby swings and a rocker that is suitable for children under 2-3 years. As the park is frequently used by this age group, we are keen to get another piece of equipment and the train has space for a few children and lots of imaginative play, not limited to the younger children! Its location would still retain an open area for ball games or dog walkers that use the park.

The train would bring lasting enjoyment for children over many years and enhance the park, as we could offer more to this age group, who then aren't limited to watching siblings from a swing
