

CITY REGION SUSTAINABLE TRANSPORT SETTLEMENTS
– A6 CORRIDOR IMPROVING JOURNEYS

Report of the Director of Place Management

1. ADDENDUM REPORT

- 1.1 The substantive report for this item was published on Tuesday, 10 September in advance of the meeting of the Central Stockport Area Committee that was due to take place on Thursday, 12 September 2024.
- 1.2 Section 7 of that report stated that the response of the Central Stockport Area Committee to the recommendations of the Communities & Transport Scrutiny Committee would be circulated as soon as practicable after that meeting had taken place.
- 1.3 The Central Stockport Area Committee has now agreed to endorse the recommendations from the Communities and Transport Scrutiny Committee meeting and recommended approval of the scheme recommendations affecting their area subject to those scrutiny recommendations.

2. RECOMMENDATION

- 2.1 The Cabinet is recommended to consider the above response as part of its consideration of the 'City Region Sustainable Transport Settlements– A6 Corridor Improving Journeys' item.
