AGENDA ITEM

Woodsmoor Lane Area, Woodsmoor

Report of the Director of Place Management

1. INTRODUCTION AND PURPOSE OF REPORT

To approve the cost for the installation of 20mph roundel carriageway markings in Woodsmoor.

2. BACKGROUND

During a Ward Briefing, a Councillor highlighted the concerns of residents on Cromley Road who report that some drivers are not respecting the 20mph speed limit which covers this and other roads in Woodsmoor.

In considering this location, there is scope to provide 20mph roundel carriageway markings to support the speed limit. Note: This part of Woodsmoor is not a Conservation Area where street signage etc. needs to be minimised.

The locations for the roundel markings are shown on attached drawing number: **NM18-6020-001**. The Ward Councillors have supported these measures and the submission of a report to Area Committee to approve the lining costs which will be £2,000 funded from the delegated Ward Budget (Norbury & Woodsmoor).

3. EQUALITIES/COMMUNITY IMPACT ASSESSMENT

Equal Opportunities

- To provide a suitable and safer environment for pedestrians and other road users. The scheme contributes to the Council's vision statement "Promote equal life outcomes for all by tackling known inequalities across the borough of Stockport".

Sustainable Environment

- To develop and sustain a healthy, safe and attractive local environment which contributes to Stockport. Stockport Council understands the responsibility it has to lead by example and help the broader community make a positive contribution to the local environment.

4. CONCLUSIONS AND RECOMMENDATIONS

The Area Committee is asked to make a decision on approving the said costs for roundel carriageway markings.
