2. About Your Application

9. Please give us a brief description of your proposed/planned project or activity

We need a 20 ft container to store equipment and materials used on our allotment site. We already have one container, but need another as the one we have is full and we have to keep some things outside, which is not ideal. A particular concern is that we have to keep fuel for the mowers in the same container as we store fertiliser. We would very much like to store them separately.

10. Who will benefit from this grant?

Our plot holders.

10(a) How Many Stockport residents will benefit?

Approximately 90 plot holders plus children from the Ladybird Nursery plus adults from the Primus Club.

10(b) Are there any restrictions on who will benefit from the funding?

No

11. Your Project's Budget

Please provide a breakdown of cost for your project including VAT where applicable and submit any estimates for the purchase of equipment or work to be done.

11(a) How much will the project/activity cost in total?

We have had quotes around £2800.

11(b) Tell us about other any other sources of income you have already applied for or raised so far in relation to this project

We have an Open Day each year. We expect to be able to make up the balance of the money from the proceeds of our Open Days.

12. How much are you applying for from the Ward Flexibility Budget?

£1000

12(a) If the amount you are applying for covers only part of the project/activity, then please tell us how do you intend to fund any shortfall?

See 11(b)
