2. About Your Application

9. Please give us a brief description of your proposed/planned project or activity

We have recently taken over a long term lease of Norbury Amalgamated Spors Club, in Hazel Grove. Part of us taking over the running of the ground is to restore & repair the facility. This includes bringing the changing rooms into modern requirements. We would like to apply for a grant to replace the broken shower units in the upcoming restoration.

10. Who will benefit from this grant?

The restoration will benefit 100's of players locally, though the grant will specifically benefit players aged 16 to open age players. It is also worth noting that this will allow us to improve/allow opportunity to female participation as there are no suitable facilities locally offering appropriate changing facilities.

10(a) How Many Stockport residents will benefit? We project this will benefit over 150 residents initially, though far more long term.

10(b) Are there any restrictions on who will benefit from the funding? The club is funded by players paying a subscription, these members will be he main benefactors, though many others will benefit e,g opposition players, as well as he partner Lacrosse club.

11. Your Project's Budget

The overall cost to refurbish he changing rooms is estimated at £32k. This is including all labour. We have offset some costs with free labour. The grant is required to pay for the individual shower units. These are being installed FOC by a member of the club to help reduce costs. All minor parts will be funded by he club.

11(a) How much will the project/activity cost in total? This aspect of the job will cost approx. £1700.

11(b) Tell us about other any other sources of income you have already applied for or raised so far in relation to this project

We have applied for other grants relating to other aspects of the project. In addition we have had some other donations, as well as having others volunteer labour.

12. How much are you applying for from the Ward Flexibility Budget? £1002, this is too fund 6 new electric shower units, 3 per changing room.

12(a) If the amount you are applying for covers only part of the project/activity, then please tell us how do you intend to fund any shortfall? As explained we have enough funding for all sundries, while installation has been volunteered by a local plumber.

13. What is the planned timescale for spending this grant?

Start October 24'

Finish January 25'
