Resident/Occupier Demmings Road Brookfield Road Cheadle

Dear Resident/Occupier,

Proposed Traffic Regulation Order

The Network Management Section has received a request from your local ward councillors to investigate parking in the area following concerns raised by residents; the concerns are that motorists are parking their vehicles close to the junctions. It is further reported that parked vehicles are hindering the movement of traffic and limiting visibility for other motorists and pedestrians.

To overcome these concerns, it is proposed to introduce a Traffic Regulation Order (TRO) – 'No Waiting at Any Time', (double yellow lines) as shown on the enclosed **Drawing No. NM8 – 4771.**

The request for an investigation has been discussed with your local ward councillor responsible for traffic issues (Highway Ward Spokesperson), who has agreed to consult on this matter. Therefore, to assist the authority in reaching a decision, please could you spend a few minutes to consider the issue and indicate your choice on the form overleaf.

Please include any comments you may wish to make on the proposal and return them in the enclosed prepaid **FREEPOST** envelope by **Friday 31 May 2024.**

Please be advised that all comments will be considered as part of the overall consultation process; however, these will not be responded to individually.

While carry out observations for this scheme we noted safety concerns at the zebra crossing on Demmings Road and as part of this scheme we plan to upgrade the flashing amber beacons on the zebra crossing to high intensity LED beacons which are more visible in the day to improve safety for pedestrians and increase visibility for motorists.

Thank you for your co-operation on this matter.

Yours faithfully,

Diane Knight Transportation Officer Network Management – Traffic Services

NM8/4771
