Resident/Occupier  
Bolshaw Road Area  
Greenway Road Area  
Outwood Road Area  
Heald Green

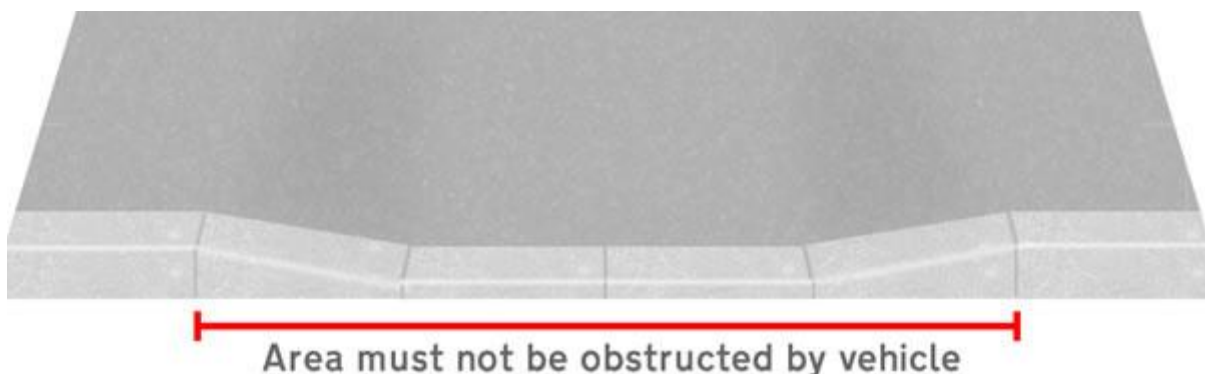

Dear Resident/Occupier,

**Proposed Traffic Regulation Order - 'No Waiting at Any Time'**  
**Greenway Road and Surrounding Area.**

The Network Management Section has received a request from your Local Ward Councillors to investigate parking in the area following concerns raised by residents; the concerns are that motorists are parking their vehicles close to the junctions and blocking dropped kerbs. It is further reported that parked vehicles are hindering the movement of traffic and limiting visibility for other motorists and pedestrians.

To overcome these concerns, it is proposed to introduce a Traffic Regulation Order (TRO) – 'No Waiting at Any Time', (double yellow lines). The request for an investigation has been discussed with your Local Ward Councillors who have agreed to consult on this matter. Therefore, to assist the authority in reaching a decision and to give us an in depth understanding of the issues, please could you spend a few minutes to consider the issue and indicate your choice via the online consultation.

Individual properties can also apply for an Access Protection Marking (H-Bars) these can be installed across a vehicular dropping crossing point from each transition kerb, as demonstrated in the image below.

The cost of the access protection marking is currently £195 each, however, your Local Ward Councillors have asked if we can consult with residents to determine if a discount can be applied should multiple residents wish to take up the offer. If 10 or more residents take up this offer, we would look at reducing the cost to £125 each (further discount would apply for a shared vehicular access). This is an approximate cost and may be discounted further dependent on the amount of residents that show an interest via the NM8/5047

online consultation. We will contact interested residents following the outcome of the consultation with further details and exact costs.

The consultation can be viewed via our website at:

<https://www.stockport.gov.uk/consultations>

or by scanning the QR code below. Please read through this information and give us your views.

If you are unable to complete the questionnaire online and require a paper copy, please contact 0161 217 6043 or email [tro.consult@stockport.gov.uk](mailto:tro.consult@stockport.gov.uk) quoting reference NM - 4099 Greenway Road.

**All comments must be received no later than 28<sup>th</sup> June 2024.** We expect to receive a large number of responses therefore we regret that it will not be possible to send individual replies to specific questions. Although we will try to address common questions/issues raised when we provide feedback to all consulted households

If you require any further information, please do not hesitate to contact the team by email at [tro.consult@stockport.gov.uk](mailto:tro.consult@stockport.gov.uk).

Yours faithfully,

Diane Knight  
Transportation Officer  
Network Management – Traffic Services
