Purpose of the report:

- Highlight the progress of the Provider Partnership

Key points (Executive Summary):

- At the October 2024 Provider Partnership, a deep dive report was presented for Frailty. This presentation had an update on realigned workstreams and progress to date.
- Highlight reports were completed for Diabetes, Alcohol Related Harm and Cardiovascular Disease, which provided updates of progress.
- An update on the NHS Health check across the locality was presented to the group by the Stockport Public Health Team.
- The fifth-year placement Public Health Consultant has joined Stockport and is supporting aspects of the Alcohol Related Harm work and driving this work forward.
- Actions from the meeting included:
 - Frailty Workstream – Leads to meet outside of Provider Partnership meeting to discuss Frailty SPOA
 - Meeting membership - Consideration to be given to expanding the membership to include colleagues working out of hours to support workstreams.

Recommendation:

- The Board is asked to note progress and support the direction of travel and development of the provider Partnership workstreams.
