

## **Edgeley Active Travel motion – Liberal Democrat Amendment**

Amend the final bullet point to read:

- In the absence of available funds within the council's capital programme, to avoid cancelling programmed works elsewhere in the borough, and with a view to find funding for this and other schemes as soon as possible, recommend that the Cabinet continue to lobby government for the urgent release of further Active Travel Funding, replacing that which was withdrawn by the last Conservative government.

Moved by: Councillor Grace Baynham

Seconded by: Councillor Micheala Meikle
