2. About Your Application

9. Please give us a brief description of your proposed/planned project or activity

Since starting to develop a completely dilapidated building (The Wharf) over 10 years ago, we have always aimed at doing this in the most sustainable way that we could. This includes LED lighting throughout the building including the stage lighting. We are about 90% of the way through converting our stage lighting from the (old and expensive to run) tungsten lighting to LED (cheaper to run and also better for the environment).

We are looking to purchase 2 of these stage lights to add to our existing stock of 12. This will mean these 2 lights will effectively not just replace 2 tungsten lights but up to 8 or more because of their ability to change colour which is not possible with tungsten lights.

10. Who will benefit from this grant?

All of those who perform, run the technical side, attend as audience members. This includes our junior group. On the purely “artistic” side it will help with improving the quality of experience of both performers and audience.

Any improvement in the sustainability of our theatre is a small contribution in the fight against climate change. This may be small in the grand scheme of things but “every little helps”.

10(a) How Many Stockport residents will benefit?

This will vary over time, but performers and audience will be in the region of around 800 to 1000 per season.

10(b) Are there any restrictions on who will benefit from the funding?

This will vary over time, but performers and audience will be in the region of around 800 to 1000 per season.

No

11. Your Project's Budget

Please provide a breakdown of cost for your project including VAT where applicable and submit any estimates for the purchase of equipment or work to be done.

£2341

11(a) How much will the project/activity cost in total?

£2341

11(b) Tell us about other any other sources of income you have already applied for or raised so far in relation to this project

We have funds in our accounts which we intend to use to fund the balance required should we be successful in our application.

12. How much are you applying for from the Ward Flexibility Budget?

£1000

12(a) If the amount you are applying for covers only part of the project/activity, then please tell us how do you intend to fund any shortfall?

As mentioned in question 11b the remaining funding will come from our own resources.

13. What is the planned timescale for spending this grant?

Start: This can start once funding has been secured. An order will be placed with our supplier.

Finish: Delivery would normally be available within 2 weeks of placing the order.

3. Which Wards are you Applying to?

You may tick more than one box. Please note that no grant of more than £1,000 in totality will ordinarily be made.

Please tell us for each ward you wish to make an application to:-
