PLAYER FOCUS

CHARLOTTE HOWARD

When did you join WCC?

I think about 8 years ago. Whenever the women's team moved here.

Why did you want to join WCC?

The women's team wanted to move to a club that was more supportive of them and Woodley seemed like a good fit.

What is your speciality?

Pouring a pint.

Best moment at the club?

Winning back to back leagues.

What do you enjoy most about WCC?

The community side - being able to turn up on a Saturday afternoon and having a chat with everyone (ideally in the sun if it ever turns up)

Where do you see yourself & WCC in 3 years?

Hopefully we can recruit more players as well as set up a girls section to help feed into the adults team.

What makes you proud to be part of WCC?

The effort everyone puts into the club to keep it ticking as well as my girls turning up to give there all in games when the odds aren't always in our favour.

WELCOME

Welcome again to the Woodley Insight newsletter keeping you upto date with club events, team updates and our wellspring community updates too.

We are looking forward to our centenary fun day on the 4th August we hope you can all join us.

CAPTAINS CORNER

MENS TEAM UPDATE

Finally got our season under way with a couple of wins. We have been hit by poor availability over the last month but finally things are starting to pick up. Hopefully start to win a few more games and climb the table. The Pro's have been the difference this season, lots of teams have two or three very good pro's. The GMCL is a very competitive league and one I am enjoying playing in.

WOODLEY AND THE WELLSPRING

The club are delighted to host a volunteer recognition day for all the wonderful volunteers who regularly support Stockport based homeless charity The Wellspring. Prior to the event on the 16th August there will be a clothes donation container in the clubhouse. It would be amazing to be able to demonstrate the kind generosity of all our members and fill prior to the event. In addition to clothes, donations of tinned food, tomatoes, custard, tinned meats etc would be greatly received.

JUNIOR UPDATE

The second phase of the junior season is now well underway for all junior teams. The under 9s are performing well as a team, more importantly they are enjoying their cricket and really encouraging each other. The under 11s have had a tough season so far. The change of leagues has seen a big change in the standard of the opposition. This will only be a good thing going forward and I can see bigger improvements in every player. The most encouraging thing for for me is that the junior are keen to learn and improve whilst playing with smiles on faces.

As the team member numbers grow at lower ages and older one progressing into older age groups it would be great to see more parents getting involved with supporting of the running of the teams and training.

MEMBERSHIP RENEWALS

Can we remind all social members that subscription fees are due. £30 for a family membership and £25 for a single membership. Contact memberwoodleycc@gmail.com to sign up or get further information surrounding memberships.
