Subject: Re: licencing meeting 6-8 Shaw Road

Hi George,

Further to the email below from Dave, I can confirm that given the applicant has changed the proposal and provided additional information with regards to the proposed use, Planning are satisfied that we can withdraw our objection to the licence application.

This is on the basis of the inclusion of the condition suggested by Mr Duncan Craig (applicant representative), which reads as follows:

'The premises will operate as a restaurant at all times and hot, substantial food will be available for consumption whenever alcohol is sold after 20:00.'

I hope this is sufficient, but please advise if you need anything further.

On this basis, we will not be attending the Committee meeting tomorrow at 6pm.

Thank you very much

Kind Regards

Jeni Regan MTCP MRTPI
