9. Please give us a brief description of your proposed/planned project or activity

You may wish to include details of what activities will take place, where will it happen, how often and who will take part. If you are applying for equipment you can tell us what will it be used for and why is it needed.

Our programme offers a safe space for children and young ladies to be part of a team. They train hard and work tirelessly to compete against some of the best teams in the country and have recently been awarded bids to the biggest competition in the world.

These 35 young cheerleaders (9-18 years old) from two teams intend to travel to Florida to compete at All Star World Championships and Worlds in Orlando, in April 2025. The trip is fully funded by each cheerleader which will be at a total cost of approximately £1800 per child for travel and accommodation.

On top of these travel costs there will be additional charges for competition fees, training fees and gym hire whilst in America, vehicle hire, training kit, while they are in Orlando.

The club supports at least three protected children.

This trip is more than a sporting competition. This will leave a huge impact in the young lives and personal development and growth. These young ladies will flourish, building their self-confidence, improve positivity in body image, communication skills & independence.
