## 2. About Your Application

---

### **9. Please give us a brief description of your proposed/planned project or activity**

*You may wish to include details of what activities will take place, where will it happen, how often and who will take part. If you are applying for equipment you can tell us what will it be used for and why is it needed.*

As part of its aim to improve the station environment the Friends of Romiley Station continue to look at ways of improving the station, making it more attractive to the travelling public and to encourage more people to return to using public transport, particularly local trains, following the Covid pandemic.

Over the years we have sought to develop new garden areas, including one created to commemorate the Platinum Jubilee of Queen Elizabeth II. We are now looking to develop a further garden which will be sited adjacent to the ramped access Platform 2 at the station near to the disabled parking bays.

Given the nature of the site we will need to resort to employing the use of large timber planters (80cm x 80cm x 50cm) which will be constructed for us by another voluntary organisation (Men in Sheds, Marple).
