2. About Your Application

9. Please give us a brief description of your proposed/planned project or activity

You may wish to include details of what activities will take place, where will it happen, how often and who will take part. If you are applying for equipment you can tell us what will it be used for and why is it needed.

The monthly market is now running at capacity. To help it grow further we need to purchase more gazebos and more weights so our events can still go ahead on windy days. The gazebos will be used on a monthly basis from March until December and also for our food or music events as shelter for the attending public. Everyone attending will benefit as we will be able to provide additional choice of stalls at the market and better facilities (shelter) so our evening events can continue during wet weather. All these events will be in the square in the heart of Romiley Village.

10. Who will benefit from this grant?

e.g. local residents, young people, older people and how?

Local residents and visitors to Romiley from other areas of Stockport. The benefit is not age specific as our events cater for all ages. The market is popular with older residents as it gives them local shopping options that they would usually have to travel to.

Our evening events are attended by all age groups and again offers a community event locally to everyone in Romiley that wishes to attend.

10(a) How Many Stockport residents will benefit?

At any individual event between 100 and 600. Over all the events throughout the year we would estimate around 7000 residents.

10(b) Are there any restrictions on who will benefit from the funding?

There are no restrictions. Our events are open to all, are free of charge and are accessible.

11. Your Project's Budget

Please provide a breakdown of cost for your project including VAT where applicable and submit any estimates for the purchase of equipment or work to be done.

Gazebo £489.00 x 2

Gazebo weights £32.50 x 16

Delivery £35.99

11(a) How much will the project/activity cost in total?

£1533.99

11(b) Tell us about other any other sources of income you have already applied for or raised so far in relation to this project
